

How To Redeem Vouchers in FetchRev

First, find out what your company's unique access code is.

- Click on your company name and select [Settings](#) from the drop-down.
- On the left-hand side, go to [View Redemption Info.](#)
- Select and copy your unique 5-character redemption access code.

Next, open the redemption app.

- In a new window, type `redeem.fetchrev.com/[YOURUNIQUECODE]` into the browser's URL bar.

[Ex: redeem.fetchrev.com/XEEB5](#)

Bookmark this URL for easy access in the future.

- You can search for the customer's voucher by entering their name, email, phone number, or confirmation code.
- Find the correct voucher and select [Redeem.](#)
- If there is a value, enter the amount the coupon is redeemable for and select [Submit.](#)
